Staff: David Keyes, Delia Burke

TMF Sub-Committee
Chair: Danny Carrillo
Additional Members: Fran Clifton, Leah Altaras, Will Pugh, Ted Schmitt, Brian Hsi, Ben Krokower
Digital Inclusion Committee

- Promotes digital inclusion for all, so that Seattle residents have the ability to access and use information and communication technologies to benefit themselves, their communities, and to fully participate in society. Digital Inclusion includes access to these technologies, the creation and availability of relevant content and services, and training for digital literacy skills.
